

FUTURE IN AG

CAREERS

SATURDAY, NOVEMBER 11

10:00 a.m. – 4:00 p.m.
Edmonton EXPO Centre Ballrooms

Discover Your Future aims to bring employers in the agriculture industry together with Alberta's youth to discover career opportunities.

With future demands on producers it is important to bring to light the future jobs available to today's youth. This event will take place during Farmfair International and will be a career fair style event that will allow employers to educate about their business and interact with youth participants. Discover Your Future is brought to you by Farmfair International in partnership with CAREERS and 4-H Alberta.
